4-H Demonstrations

Take some time over the holidays to be coming up with a great idea. If you need any help, visit our website at: Muhlenberg.ca.uky.edu and look under the 4-H Youth Development tab. There is a list of different categories you could work on. Get busy and let's have the best year ever for demonstrations!

4-H Hands of Service

This holiday season 4-H challenges you to serve your community. Take time doing something nice for someone else. Help with chores around your home, volunteer at Hope to All Food Pantry or the animal shelter, make homemade cards for the nursing home. Send cards to veterans or residents in long-term care at our hospital. Think of ways you can do your part to help someone else! We hope you take time to reflect on the things you are thankful for and appreciate the people in your life that make a difference.

How to Sign Up for Clubs and Upcoming Projects

For all classes with a registration fee:

You must come by the Extension Office and register along with the payment during office hours: Monday-Friday, 8-4:30 PM. You must be registered one week in advance of any class so our instructors have time to prepare. For classes or project clubs with no fee, you may register by phone at 270-338-0710 during our office hours.

Remember, if you sign up for a class and don't show up you are keeping someone else from participating!

Are you planning for 4-H Camp?

It's not too early to be thinking ahead to 4-H Summer Camp! Camp will be held on June 16-20, 2025 in Dawson Springs, Kentucky. If you would like to start making payments on your child's summer camp you can come by the Extension Office to set up a payment plan. This also makes a great Christmas or birthday gift! Camp will be \$340 for 9-14 year olds and \$165 for 15-17 year olds.
